RE: Plat of Bannerman Corner

I have reviewed the final reports furnished by the appropriate reviewing agencies. This is a re-subdivision of an existing limited partition. It is my recommendation that the Board of County Commissioners approve the plat for recording in the public records.

I have also reviewed the cost of completion for the infrastructure for this project. It is my recommendation that the Board of County Commissioners approve the plat for recording, accept the Performance Agreement and Bond in the amount of \$25,000 for a period of two years.

Respectfully submitted,

Joe Brown, P.E.
Director of Engineering Services
